Dear Mary Nell,

I have really enjoyed the part you've had in me & sweet; just always be the same sweet girl you are now and you will have lots of success and you deserve it.

A friend always,
Dorothy Ferguson

Mary Nell:
Was this so our last year together and I certainly have enjoyed going to school with you. You are a very nice, sweet, and smart girl - and I think you deserve the best of everything. May we always be friends -
Dore;

James Owen

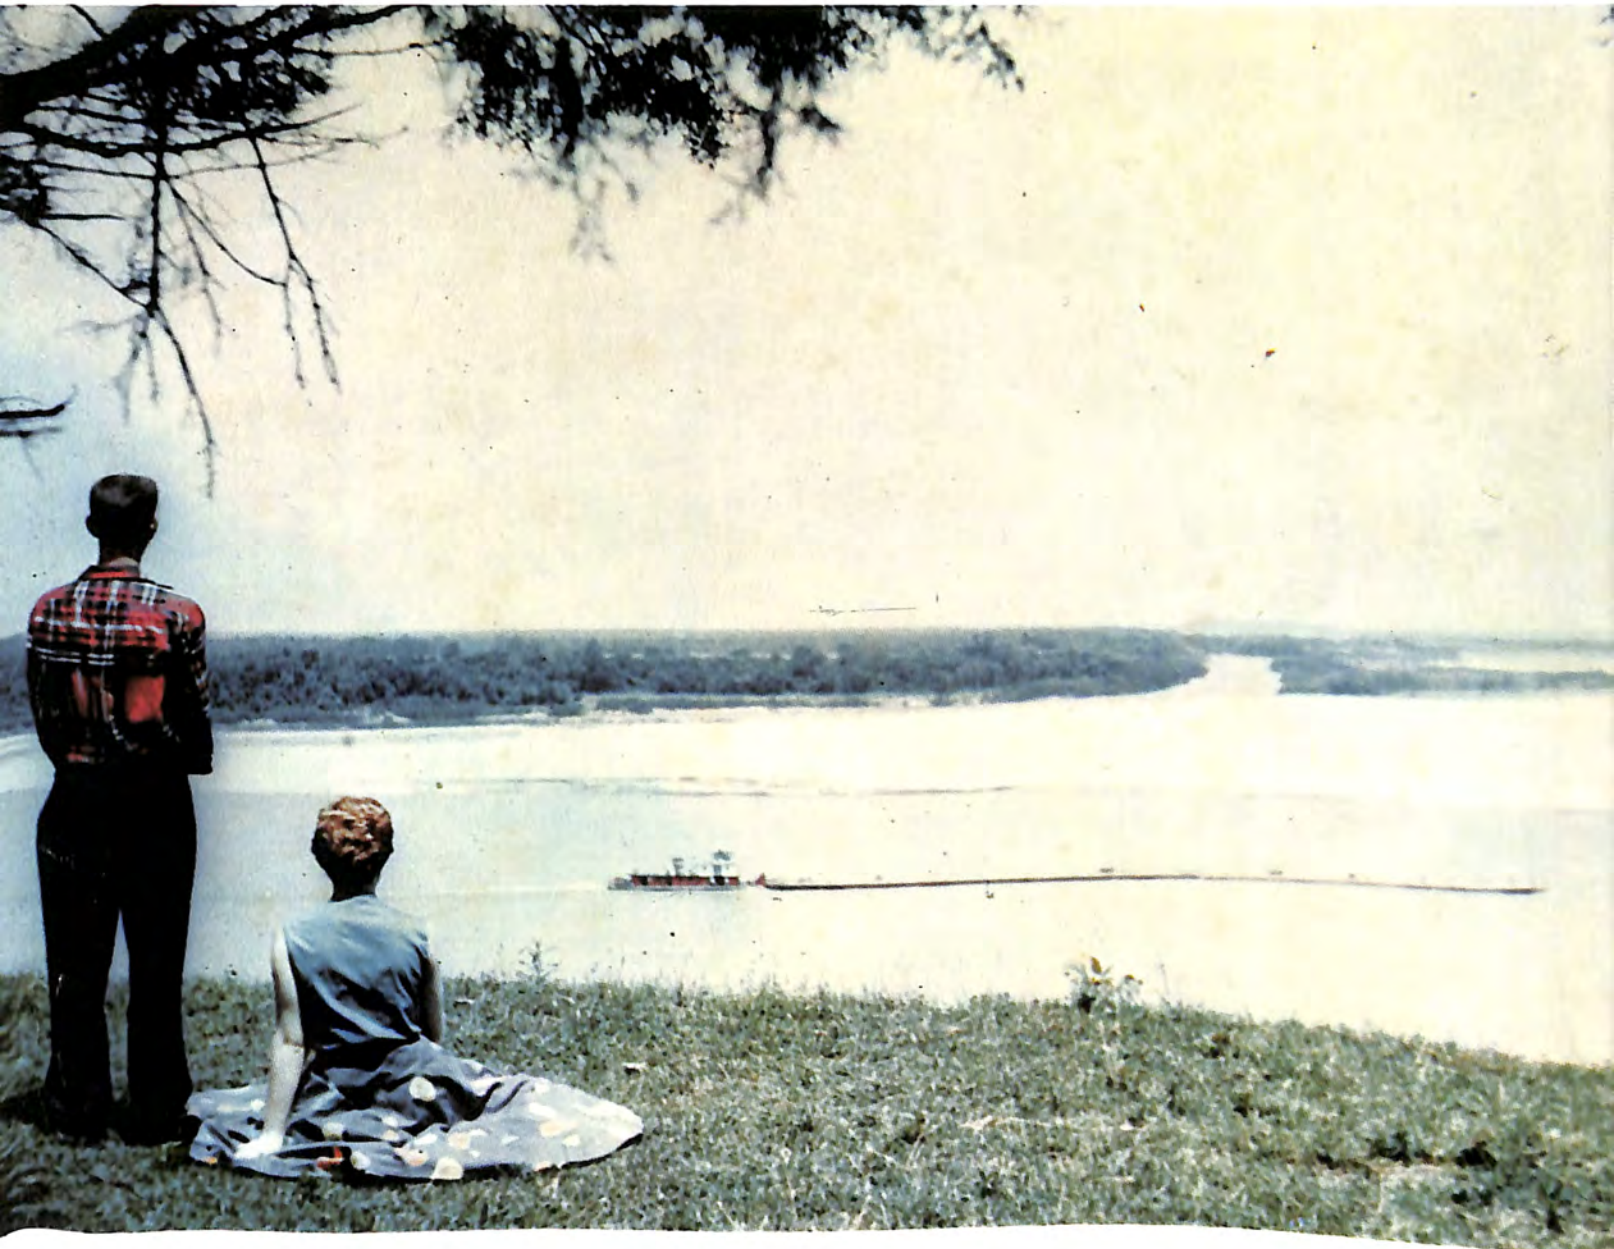

Dear Mary Nell
I am glad under the sun we had together and the many problems we shared. Perhaps the more mistakes in making things and the time we needed up I walk today where you walked? Good luck for the future and may we continue to be good friends in the years to come.
By our common friend

Kiss Mary Nell
you are truly a wonderful girl. I know you'll have luck in everything you do in this. Perhaps you'll be enough going to school with you and working around the farm with you. Stay sweet always.
Love
Mary F. Burdette

Dear Mary Nell
It sure has been a long time hasn't it but we've had a great deal of fun & just hope we have as much in the past, which I know we will, lots of luck in the future & a most able girl.
Margaret

Mary Nell:
How do you tell some-
one your friend they are always
only hope we are always
this hope we are always

Dear Mary Neil,
I have known
you for only a short
time and have grown to
like you very much. I
hope our friendship will
always be as sincere as
now even through all of
our trials and errors. I
wish you all of the luck in
the world.
Your friend,

Moving slowly and majestically along at the rate of 1.5 miles an hour (the origin point of the Mississippi is only 1640 feet above sea level), carrying 790 billion cubic yards of water (barring floods) and 5 hundred million tons of sediment collected annually from more than a million square miles of tributary acreage, the mighty Father of Waters winds along the western boundary of Tipton County for approximately 20 miles. Hernando De Soto, credited with the discovery of the river in 1541, is believed buried somewhere along these bluffs. Recognizing that directly or indirectly this "Ole Man River" influences the lives of all Tipton Countians, the annual staff has chosen to build the 1956 WILDCAT around this theme.

Coach of the Year

JOHN GULLEY

"This year, for the first time, a Coach of the Year was selected with honors going to John Gulley of Covington by an overwhelming margin. Gulley's Wildcats defeated Union City 14-12 in the Big Ten Playoff to remain undefeated over an 11-game season.

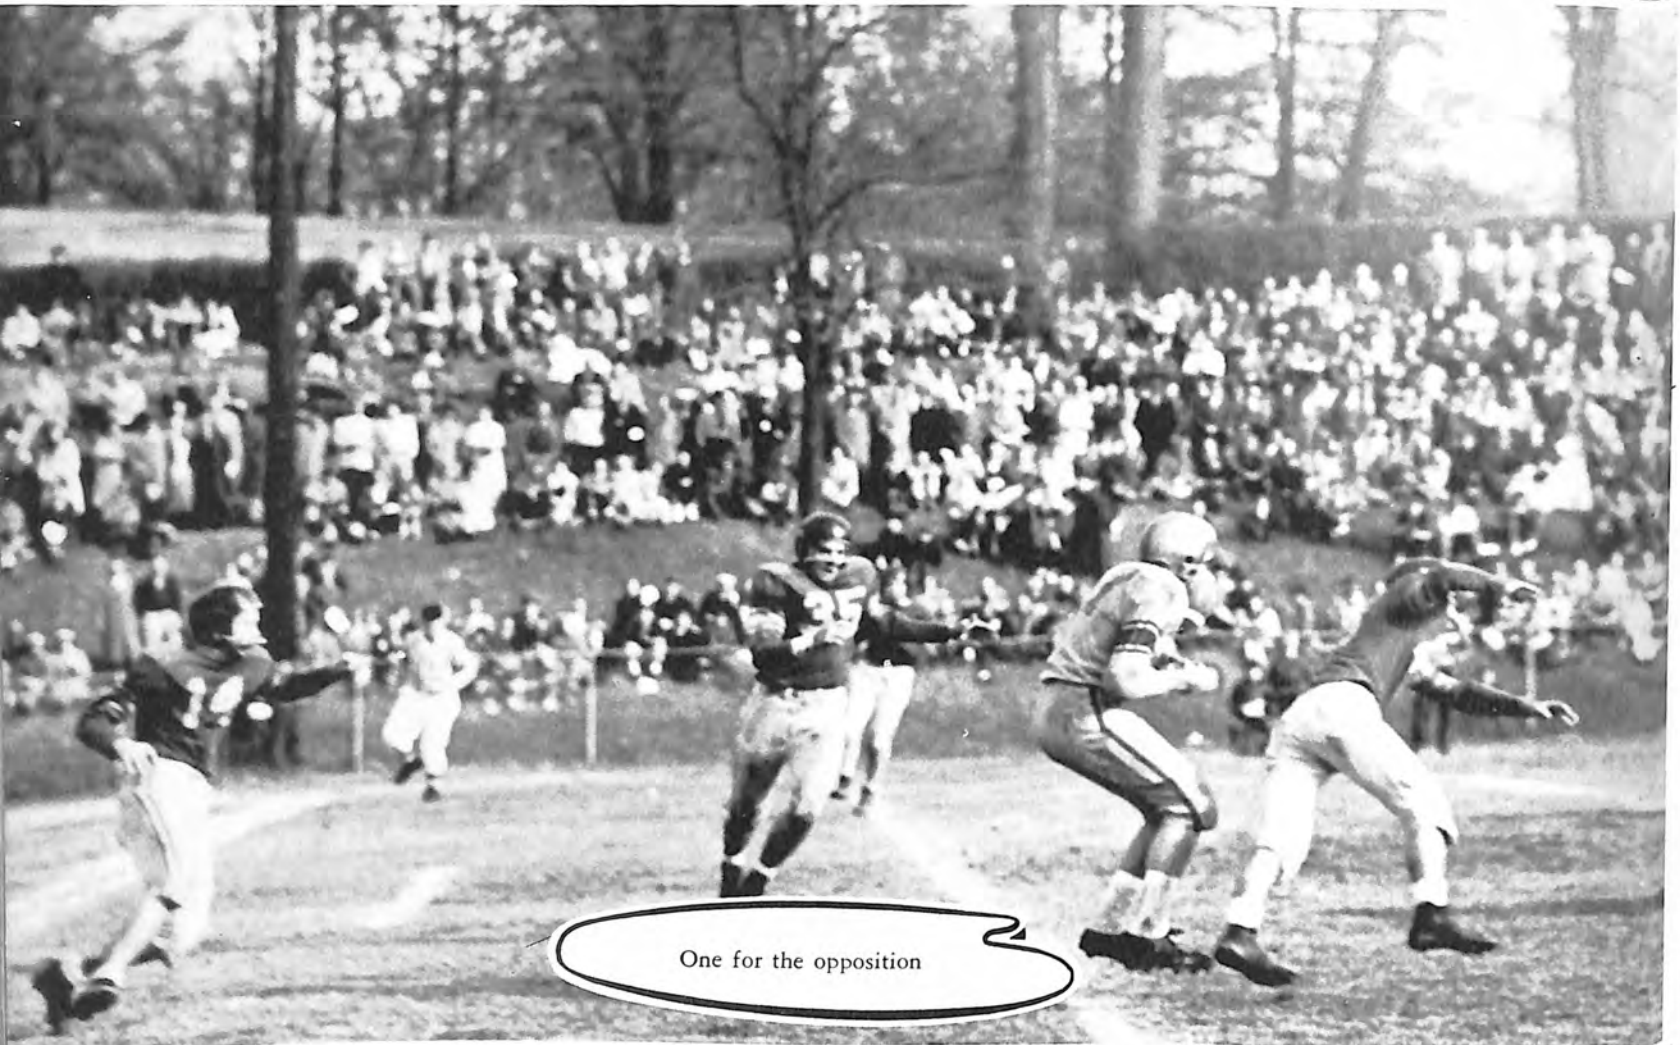

While coaching the Wildcats (7 year period), Gulley has posted a 42-26-2 mark with the 9-1 seasons of 1949 and 1951 being the best until his undefeated team of this year."—JACKSON SUN

BIG TEN CHAMPIONSHIP GAME

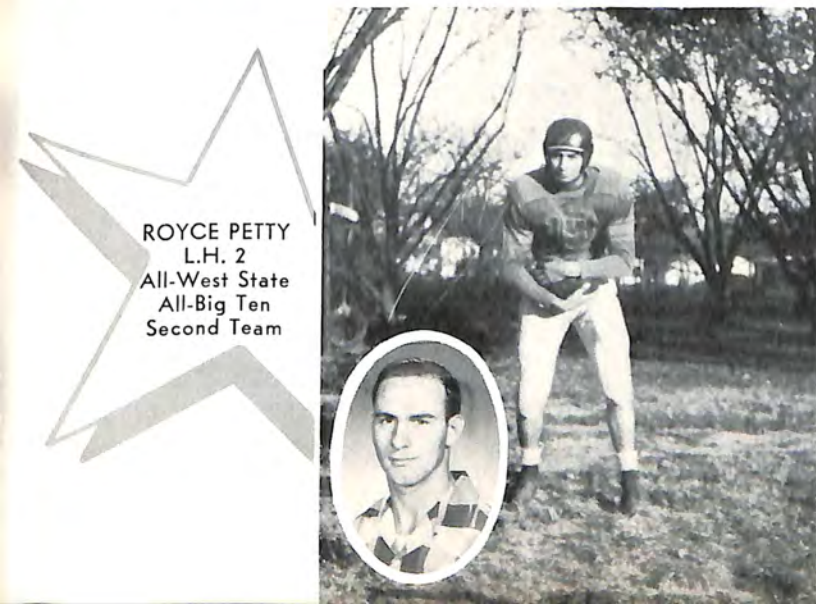

Scoring once on an intercepted pass and once on a pass, the Wildcats took the Thanksgiving Day playoff game and also the Big-Ten Crown from the Union City Tornadoes 14-12. A fourth quarter Union City touchdown was thwarted by a Union City fumble which was recovered by Covington on their own eight yard line.

A sharp, revengeful contingent of Wildcats journeyed to the home of the Dyersburg Trojans (last year's Big Ten Champions), there to stomp them to the tune of 22-7 for the first Wildcat victory over the Trojans in several years.

Playing perhaps their best ball game of the year, the powerful Wildcats turned on the steam to stomp the Trenton Golden Tide, 46-0, to revenge one point defeats at the hands of the Tide for the past two years.

In their first three plays, the Wildcats took an early lead over the Semerville Panthers and then coasted to a victory. With comparative ease, the Cats (with the second team playing most of the game) romped over the Martin Panthers 41-0 to lengthen their conference lead.

On a miserable, rain-drenched night, the Wildcats, playing in a sea of mud, climaxed a 7-6 victory over the Ripley Tigers by a mighty third quarter goal line stand.

Byars-Hall's homecoming was spoiled by the Humboldt Rams who overcame a two touchdown lead with six minutes to go in the game to tie the 'Cats 13-13.

After allowing the Brownsville Tomcats to score 14 points in the first quarter (the most scored on the Wildcats all season), the Wildcats rose to the occasion by downing the Tomcats 39-14.

The Wildcats retained the mythical Tipton County Championship by taking the Munford Blackcats 27-0. In the annually fought grudge battle, the Wildcats are undefeated.

After being plagued by first quarter fumbles, the Wildcats overcame the Millington Trojans (second team in the Shelby County League) by a score of 34-0.

Scoring on a pass in the fading moments of the final quarter, the Wildcats, after trailing most of the game, overcame the Halls Tigers by a score of 7-6.
