FRAZIER HIGH SCHOOL, COVINGTON, TENNESSEE, MARCH, 1967

Coronation, Game Climax Pirates' Season

"Miss Frazier" and escort - Gloria and Richard after the ceremony.

One of the most exciting and colorful segments of Homecoming occurred on Friday night, February 3, at the Coronation Ball, when Miss Frazier was presented to her cheering schoolmates.

This year's Miss Frazier,

Gloria Dye, a member of the senior class, was chosen on the basis of a popularity vote by the entire student body on Wednesday, February 1, Gloria rose above the two candidates with the largest share of the votes, while Lonnie Bell and Mary Grimes, both sen-

iors, became first and second runners-up respectively.

The theme of this affair was "A Tribute to Spring."

Miss Frazier, her court, and visiting royalty were presented in the following order: Miss Frazier 1965-66, Mary Billings, escort James Frost; Miss Ellis, Agnes Brent, escort John Calhoun; Miss Freshman, Brenda Ingram, escort George Pruitt; Miss Sophomore, Christine Dowell, escort Ernest Taylor; Miss Junior, Vera Wood, escort Charlie McNeal; Second runner-up, Mary Grimes, escort Stanley Driver; First runner-up, Lonnie Bell, escort Odell MacLin; and Miss Frazier 1966-67, Gloria Dye, escort Richard Lyons.

Mary Billings, Miss Frazier 1965-66, bestowed power and position upon her successor, Gloria promised to fulfill this position to the best of her ability.

As Miss Frazier and her court danced to the music of "Misty," they enhanced the evening with charm, grace, and poise.

On Thursday evening, February 9, Frazier High School climaxed its 1966-67 basketball season with gala homecoming festivities. The Pirates were opposed by the Bolivar Red Devils.

Preceding the games, Miss Frazier and her court, including Miss Bolivar, were presented to the fans.

During the girls' halftime, the stunts and tumbling groups from the Physical Education Department thrilled the crowd with their antics.

Between the girls' and boys' games the band and majorettes presented a rousing performance. A large "F" was formed by the group, and the Majorettes did a creative dance as the band played a medley of popular songs.

The Pirates and their fans have enjoyed a successful season and look forward to greater success in the forthcoming tourney.

"The Royalty" - They danced to "Misty".

Richard Elected by the Students

Richard Lyons, a senior, was elected president of the Student Council by a substantial margin for the year 66-67. His opponents were Dornetha Eugenia Taylor, and Bobby Wayne Wright. The final results were: Richard Lyons, 191; Bobby Wright, 133; and Dornetha Taylor, 31.

The preliminaries to the election were quite different from that of the previous year. Instead of assembling to hear the candidates' speeches, the candidates spoke over the office intercom. They posted slogans in the buildings and made personal appearances in various classrooms to present their points of view and their plans to serve the best interest of the students.

The excellent presentations of the candidates indicated that any one of the candidates would do creditable jobs. Each talked of strengthening the teacher-student relationship. One candidate talked of a "Student Court" whereby students would make out disciplinary measures to help the students learn to have respect for school rules and regulations. Another candidate purposed to encourage the students to accept the responsibility of keeping themselves and others in order. Another candidate wanted fair student government. Each idea of the candidates was good, and the students surely had a very big problem deciding which candidates would serve them best.

The entire student body congratulates Richard and promises to give him the cooperation he asks for as he seeks to work with the Students Council to benefit our school.

Members of the Student Council were not elected by their respective classes but were chosen by the Guidance Department. The first three officers of each class

would serve so that each section would be represented.

Richard, you might like to take this thought into office with you. One old philosopher told his son, "I can't give you a formula for success, but I can give you one for failure--try to please everybody."

Science Club Adds Value To Frazier

In addition to the many activities and clubs offered to the students of Frazier, they now have the opportunity of participating in a Science Club and its many activities and functions.

The Frazier Science Club, under the instruction of Mr. Armstrong and Mr. Dudley, is designed for students presently enrolled in science or who have had science courses to advance their knowledge of science.

On Friday, March 3, Dr. Donnell from Union University, Jackson, spoke on "The Structures of Mathematics and Unified Geometry." The following week, March 10, Dr. A. E. A. Hudson will speak on "Practical Analysis" to the Student body. These gentlemen are connected with the Visiting Scientist Program of the Tennessee Junior Academy of Science and are sponsored by the science club.

The President of the science club is Dornetha Taylor; vice-president, Annie Dyson; and secretary is Carolyn Moore.

Happy Easter

Frazierites Make Good

Dr. Walter Bennett Epps, a former graduate of Frazier, is now in Liberia, Africa as a representative of the State Department.

He graduated from Tennessee A. & I. State University, where he received his B.A. degree. He earned a masters degree from Kansas State University, and a doctorate degree from Iowa State University, Ames, Iowa.

Dr. Epps previously taught at Virginia State College, Ettrick, Virginia. He did economic research for the T.V.A. at Florence, Alabama. Dr. Epps, his wife, and four children now live in Bethesda, Maryland.

One of our alumni at Tennessee A. & I. State University, made the Dean's list for the fall quarter. This person was Dorothy Elkins Grant. Four others made the honor roll for the same quarter. They were Johnny Burchett, Joan Hunt, Anna Lewers, and Thomas Nelson.

Among other prominent positions held by Frazierites at Tennessee State are two held by Ernest R. Williamson who is president of the Senior Class and Treasurer of the Kappa Alpha Psi Fraternity.

Elsewhere Frazierites are also making good. At Lane College, Robert "Tim" Fouse is a member of the College choir; Tyrone Yarbrough is a member of the marching band at Austin Peay College in Clarksville, Tennessee. At Cleveland State University, Theodore "Pap" Jordan continues his successful ability to play basketball. Entering the University at the winter quarter, he has become one of the starters for the team. His famed coach John McLendon said, "He averages in double figures as a rebounder and scorer."

Vanguard Staff Guided By Bobby Wright

This year's Vanguard staff is again headed by Bobby Wright as Editor-in-Chief. Associate-Editors are Dornetha Taylor and Richard Lyons. All three students are seniors.

Bobby is the first and only Editor-in-Chief the Vanguard has had. He has proven beyond all doubt that being the editor of a school paper is an exciting challenge and a rewarding position. He constantly strives to improve the paper and to make it the best in content and coverage.

He is a very active student, serving as president of the Senior Class, a member of the Student Council, sports reporter and photographer for the school.

Other staff members are: Argentina Wortham, Feature Editor; Willie Matthews, Sports Editor; Alberta Bonds, Art Editor; John Wesley Chochran, Business Manager; Otis Collier and Marsha Edwards, Production Managers; Maurice Gaines and Odell MacLin, Advertising Managers; and Carolyn Johnson and LaSandra Wright, Circulation Managers.

Frazier School has no course in Journalism. Accordingly, the newspaper gives the students a chance to explore some phases of the journalistic world and at the same time it presents an opportunity to be independent and make a few judgments on certain things pertaining to journalism.

Joy
AT
Easter

Frazier majorette caught in action.

A Salute!

Now that the basketball season has ended for the Frazier quintet and sextet it is only appropriate that we salute and pay tribute to them for a splendid season.

Even though winning is one measure of success and most teams and coaches would rather win than to lose it is not a very good way by which a successful season is to be totally measured. For these athletes that wore the green and gold for Frazier diligently during the cage season performed with their highest perfection and this is a measure of success, too. Success can also be expressed in terms of team spirit and good sportsmanship. Certainly no one can deny the fact that the Pirates did not have spirit, for it was this spirit that enabled them to win important games in what was expected to be a rebuilding year, and good sportsmanship is a trait that became a custom with them.

During the early weeks of the season the Pirates were not the best as evident by their record, but they continually strived to better their record and with a little extra effort and a good psychological attitude they were able to challenge the strongest of teams on any given night.

There was a total of nine seniors on both squads who no longer will have their names recorded in the score books, and their points tallied, nor will there be any more long bus rides.

For some of these seniors they have devoted four years to this sport, and for years to come they will reminiscence over the unforgettable moments they enjoyed while wearing the green and gold on the hardwood.

The coaches should also be congratulated for their fine work in molding their individuals into teams capable of competing. And that's real success.

--Robby Wright

Everybody Is Somebody

Negro History Week was observed throughout the nation February 12-19. In keeping with the observance, a special assembly was held Friday morning February 17, in the school gym. The featured guest speaker was the Rev. E. L. Currie, pastor of the First Baptist Church, Brownsville, Tennessee.

Rev. Currie emphasized the fact that everybody is somebody. "Being born black is no indictment." Never feel that you have to apologize for being a Negro. He brought out the fact that you should never feel sorry for yourself, nor compare yourself with anything less than the best.

He also added, "Strive to develop an image which the Negro can be proud of years later." He then asked each student to ask himself, Who he was? Where was he going? What was his life's ambition? What was he willing to pay or to sacrifice for his futures. Finally he left these three thoughts with us:

1. You must come to grips with yourself and do not be ashamed to see what you see. You must realize that life can serve as an advantage to you.
2. You must know who you are and what you want from life. Know your limitations.
3. You must study to overcome the debasement of your past.

Speaker injects pride - Rev. E. L. Currie in Negro History Week assembly.

Easter time GREETINGS

As Some Sing National Anthem

Osaken you see
By the daw surly lye
Waso prou lee we all
A the twi-lie lass gleamon
Ooze brow stripes and bri stars
Thru the peril lass nite
Or te ram pars we wash
Were so gallonly steamon
Anna racous red glar
The bum burstin inaire
Gay pru thru the nye
Thase flag was stallaire
O saydus the star spangulled
Baa-aa-anur yet way
Orthulan of the freee
Anna home of the Bray.

USEFUL?

The Challenge of Tomorrow

The world we live in today has changed so much and rapidly that the things that were planned for tomorrow have arrived today. The world of tomorrow has challenged every individual to prepare himself to meet a world of machines and complex ideas. The person who prepares himself without an understanding of the arts and sciences will be left behind as a derelict of incompetence. These will be the people who inhabit the "Ghetto" of the future; north or south. The future demands of you that you prepare yourself for the jobs that will be available tomorrow not today. The time has ended for you to feel sorry or cry out in anguish for your own form of utopia. The time demands that you grow up and move out into the world of learned men.

How many of you have read Aristotle, Plato, and of the great Negroes in history of the founding of our country? The time is now for reawaking of our study of our heritage and rededication to our vital role as members of American Society.

A challenge has been offered to discipline yourself to study and learn the skills and the self-pride that will be necessary to lead in the future.

Tomorrow when those who have prepared themselves take the forefront of leadership--How many of us will be there?

F. Dudley

Library Corner To Aid Students Using the Library

While you are students here at Frazier, we hope you will enjoy using the library. We hope too, that you know the library rules and will follow them. Here is a list of some to follow:

1. The library opens at 7:45 A.M. and is open until 3:00 P.M.
2. Two books are allowed at a time. Arrangements may be made for three if there is an expressed need for it.
3. All books except reserve books may be kept for one week. Two weeks may be allowed if there is a need. They may be renewed at any time unless there is a waiting list or the teachers ask that they not be renewed. REFERENCE BOOKS ARE NOT TO BE TAKEN FROM THE LIBRARY.
4. Books on reserve will have a blue card in the pocket. They may be checked out during the last period and must be returned before the first period of the next morning.
5. A FINE of 2c will be charged on each book for each day it is overdue...exclusive of Saturdays, Sundays and holidays. ALWAYS RETURN YOUR BOOK ON TIME. This is only fair to others and will save late fines.
6. No other books may be checked out until the fine has been paid. If books are not returned on time, fines must be paid accordingly.
7. Most students want a quiet and orderly library in which to read and study. PLEASE REGARD THIS. Be thoughtful of others and try to keep the library a pleasant place for reading and study. ALWAYS put books back exactly where they belong. If there is doubt as to the proper place, please place them on the circulation desk.
8. Students that would like to use the library will be taught how to find books and other material they need. Learn as much as possible about the library and become independent. Your teachers and the librarian will help with the things you haven't learned for yourself.
9. The books in the library belong to the school. They are to be used but not abused. Any student checking books from the library will be held responsible for taking care of the books. Books damaged or lost must be paid for by the student.

THE READING YOU DO IS AN IMPORTANT PART OF YOUR EDUCATION!!!!

Tips for Teens

Etiquette is the rule of social behavior in good graces. Rules of etiquette are based on tradition, yet they are always alive, growing, and changing. Groups and community opinions influence these changes as do the age group to which you belong.

Good manners may be thought of as kindness, thoughtfulness, tact, and consideration toward others. Your manners are always on display. Be careful in everything you do. It's natural to feel uneasy in a new experience--especially when you're not sure of what to do.

Remember that when you learn the rules you have more fun and will be happier.

If you really want to make friends and meet people, here are some tips that could help you become a confident teenager:

- **Wear an expression that makes you look happy and pleasant. A smile helps, too.
- **Be sincere and natural--give compliments to others--we all like to hear a bit of praise, but don't become the proverbial apple polisher.
- **Be polite and have respect for other people. This is a "must."
- **Be a good conversationalist. Learn to say the right thing at the right time.
- **Keep telephone conversations short. If your call is just a visit, it's a good idea to make that short, too.
- **Don't forget your naturalness and pleasantness in your telephone conversations.

Do you find yourself before a mirror often during the day to repair make-up, comb your hair, or to rearrange your clothes? If your answer is "No," then you deserve a large bouquet of flowers, for you are well-groomed. You have chosen a hair-do for school that is easily kept; you use your make-up to appear natural looking; and you selected your clothes for school with school activities in mind, no it is not necessary for you to "dress" all day long. If your answer is "YES," then follow these tips:

1. Girls, avoid too much make-up. Use just enough, if any, for the natural look. Choose make-up that is right for you.
2. Students, do not overdress for school.
3. Dark stockings are all right to wear in the winter but only at night--definitely not at school. The lighter shades are more appropriate all year round.
4. Select styles that are appropriate for the occasion, that are in keeping with the best standards of the community, and that are best suited to your personality, figure, and size.

Are you satisfied with your grades? Will your present grades get you into the college of your choice? Try these tips for BETTER SCHOOL GRADES:

1. Read, Read, Read.
2. Organize your out-of-school-time so that you have plenty of time for studies. Too much pleasure and not enough studies will impede the progress of your studies.
3. Widen your horizons--read widely; investigate and question ideas; in other words, study other phases of your class work, rather than only that which is assigned. There are some priceless words in your vocabulary which will help save some tampers and make you feel better if you are sincere in using them.

Say:
Excuse me--when you interrupt someone.
Pardon me--when you inconvenience someone.
Thank you--you are never too busy to omit this.
Please and sorry--these help too.
A cheerful disposition and a smile make you good company.

4-H Club Speaker - Joyce Gaines.

4-H Club On the Go

During the year 1966-67 the Frazier 4-H Club participated in many activities and contests. Mary Billings along with former 4-H'ers Lawrence Grandberry and Barbara Taylor attended 4-H Congress in Nashville. Eligibility to attend this Congress consists of being a senior 4-H'er, being involved with projects at this congress, and being a first place winner in a particular division in the county.

Each month interesting and exciting activities were presented. In June they got off to a good start. Participating in the dress review were Mary Billings, Shirley Claybon, Linda Harper, Joyce Gaines and Barbara Taylor. The winners were Mary Billings who won first place in the "best dressed" division; Barbara Taylor and Joyce Gaines, first and second place, respectively, in the "evening dress" division. The county Dairy Foods demonstration contest produced a first place winner for Joyce Gaines, Mary Billings, Linda Harper, Shirley Claybon and Linda Wilson attended senior 4-H Club camp in Milan. The boys came in for honors through Maurice Gaines who won first place in a county demonstration on Photography.

July was not as productive as June, but it showed positive action. Joyce Gaines took part in the district Dairy Foods demonstration contest and Maurice Gaines in the district Photography demonstration contest in Milan. Both were second place winners. Mary Billings and Barbara Taylor took part in the district dress review in which Mary was a third place winner.

August was travel time. Joyce and Maurice Gaines attended 4-H Club Round-Up in Knoxville, Tennessee as alternates for state "Dairy Foods" and "Photography" demonstrations.

September was election time. Newly elected officers are: Maurice Gaines--President; John Cochran--Vice President; Mary Billings--Secretary; Joyce Gaines--Assistant Secretary; Charles Harris--Treasurer; Charles Lyons--Sergeant-at-arms; Shirley Claybon, Linda Peete, and Linda Wilson--Song Leaders.

October was fun time and work time for 4-H'ers who attended the Mid-South Fair in Shelby County where some of the group entered contests. Mary Billings and Barbara Taylor participated in the dress review, George Teamer and Charles Harris took part in dairy cow judging and John Cochran in poultry judging. There were no winners this time, nor any who finished last. They finished sixth and seventh places in a group of seventeen schools.

November and December were spent learning about cars and the ways to insure one's safety while driving. This is a new filmstrip project now available for 4-H'ers. Through these film strips they gained new insights to the plea-

Frazier Glee Club

On December 22, 1966, the Frazier High School Glee Club brought their Christmas spirit to the entire school staff through their singing of Christmas carols. The Christmas program included such songs as "Little Drummer Boy", "Twelve Days of Christmas," "Silent Night," and a variety of others.

The Glee Club began the year with active participation in different types of events and programs. As the school year progresses the Frazier High School Glee Club will be making various presentations throughout the community.

The members of the Frazier High School Glee Club are as follows:

Soprano: Brenda Fouse, Mary Tipton, Gloria Jean Dye, Bertha Hill, Cora Hill, Delores Bates, Daisy Jones, La Son Goodman, Margarita Lemons, Helen Davis, Barbara Taylor, Fannie Smith, Mary Gude, Alberta Bonds, Gloria Rice, Betty Milan, Mary Ann Davis, Shirley Claybon, Jocelyn Porter, Brenda Dowell, Evelyn Lauderdale, Della Dyson, Lillie Yarbrough, Vera Woods, Bobbie Woodley, Lula Adams.

Alto: Carolyn Johnson, Christine Dowell, Ann Margaret Wright, Mary Helen Tipton, Lue Bertha Tipton, Linda Boyd, Mary Billings, Ruby Hall, Ave Harper, Margaret Smith, Verlene Fouse, Juanita Burnett, Mae Hughlett, Carolyn Moore, Faye Dowell.

Tenor: Charlie McNeal, Avery Flowers, Lawrence Davis, Fred Taylor, Columbus Claybon, Robert Boykins, Rudolph Boykin, Melvin Norfolk, Larry Brown, Larry Morrison, Ola Carodine.

Bass: Odell MacIn, Eugene MacIn, Robert Elam, Jerry Taylor, Ezell Smith, Johnny Clowny, James Frost, and William Boyd. The accompanist again this year is Hortence Johnson.

Mrs. Hawkins, director of the Glee Club, said, "I am very proud of my Glee Club this year. We got a late start and with the exception of one bass voice, the entire male section of the Glee Club is composed of new voices. They have done exceptionally well in all their endeavors this year. We are looking forward to another successful year at the symposium held at Lane College."

Minds Go to Work

A chess club at Frazier was organized recently, with Mr. Armstrong as faculty advisor, and Argentina R. Wortham, president.

Any and all persons are eligible to join so long as the students have and maintain an 87 or above average. Anyone joining must be sincerely interested in learning the basic elements of the game.

The club's main purpose: are to develop minds intellectually and socially, and to increase their mental perception and capacity, as well as to provide for recreation and pleasure.

Successes derived from participating in this project.

If the members only continue the year as they started it, the 4-H'ers can look forward to a year filled with happiness, for Joyce Gaines won first place in the local and county "Public Speaking" contest. She will speak in the district "public speaking" contest on March 4, 1967.

The 4-H Club members of Frazier High School are grateful to their advisor, Mr. Cleophas Armstrong, for his guidance and interest. Under his able leadership, they expect to bring more honors to our homes, our school, our communities and our country.

F.F.A. "VIPS" - Joe Grant, Wendell Taylor, Early Jackson, Welton Burrell.

F.F.A. "VIPS" - Welton, Joe Grant, Raymond Albritton, Larry Palmer, Terry Taylor, Wendell Taylor.

The Frazier Future Farmers Compete

The Frazier chapter of the FFA has been actively engaged in competing with other FFA chapters in skills and in other diversified areas of Vocational Agriculture.

Most recent of the chapter's endeavors include competition in the District 5 Parliamentary Procedure Contest held at Frazier on January 26, and participation in the Skills Contest held at the Tipton County Area Vocational School on February 25.

In competition with eight schools in the Parliamentary Procedure Contest, the Frazier Future Farmers ranked third. The teams were ranked according to their efficiency in carrying out certain motions that were given them by the selected judges. Ripley High and Brighton High placed first and second respectively and were the only teams to place high-

er than the Frazier team. Members of the Frazier team were Joe Grant, Wendell Taylor, Raymond Albritton, Larry Palmer, Terry Taylor and Welton Culbreath.

Competition in the Skills Contest was individual rather than by teams. The contest was divided into five categories.

The result of the categories: Rafter cutting, Joe Grant, 1st place; Pipe fitting, Welton Burrell, 2nd place; Electricity, Wendell Taylor, 3rd place; Seed Identification, Autry Edwards, 5th place; Land Measuring, Larry Palmer and Raymond Albritton, sixth place.

FFA Advisor Mr. Wright stated, "I am pleased with the boys' work thus far. However, we are hoping for a first place."

"What's Cookin'?" - Cafeteria personnel.

New Cafeteria Personnel

During this school year the gym lobby has been converted into a cafeteria for high school students.

The cafeteria staff is made up of Mrs. Callie M. Brown, manager, and the following helpers: Mrs. Lula Bell Holland, Mrs. Annie Mae Jones, and Miss Norma Johnson. Mrs. Gloria Mercier, our guidance counselor last school year, is the Supervisor of School Lunch Rooms and Nutrition Education.

Band and Majorettes Cheered

The Frazier Band and Majorettes were cheered enthusiastically as they marched in the parade this year. In the Christmas Parade in Covington and Ripley, each time the band struck up "Activity," their theme song, the majorettes performed intricate patterns of creative dance. In the Ellis High School Homecoming Parade the girls pleased the crowds with their "Rock and Roll" dance to the music of "Last Night."

The band members and majorettes looked every so colorful in their new uniforms. Gold, the dominant color of the band members uniforms, was featured in the hop-sacking pants and jauntily worn berets. Green made a bright con-

Go! Go! Cheerleaders

We've got that G, that O, that "Go Power Go" in our cheerleaders and in a small segment of our student body. Their happy voices lend excitement to a basketball game. Their weird movements show inner joy and happiness, and their sudden screams and yells say "Pirates you are the best!"

Leading the "happy voices" are Daisy Jones, Gloria Dye, Bertha Hill, Margaret Hall, Georgette Peete, Mary Grimes, Annie Louise Tipton, Christine Dowell, Ave Harper, Carolyn Somerville and Perry Taylor.

We are proud of our cheerleaders. They lend colorful entertainment during the game. They help keep enthusiasm high, and they are always ready with a clap, a stomp, and a yell.

We need more support from the student body. Instead of just yelling when a basket is made, yell with the cheerleaders all through the game. When they ask you to stand or exhibit some other movement, carry the action or performance out. When our teams are behind, keep the cheers coming, for the teams need our enthusiasm more at this time than ever. Finally, let us be courteous to our visiting cheerleaders, even when they are discourteous to us. Let us applaud their performance just as we applaud our own. The Frazier High School Cheerleaders urge you to join the fun, cheer wildly and have a ball.

Contrast in the side seams on the trousers, in the socks, and in the pirat: pullover sweaters. The majorettes were chic and attractive in their gold satin costumes, trimmed with green. Both groups wore white footwear: the majorettes, boots; the band members, tennis slippers.

Mr. Render, the band instructor, and Miss Parham, the director of the majorettes, have done an excellent job with these groups. We are proud to have them as our leaders.

The FFA'ers on the Move

The activities of the Frazier High Chapter of the Future Homemakers of America are planned around the theme, "Citizenship." These activities help FFA'ers improve themselves and their organization by learning from the past, lighting up the present, and looking to the future.

Their meetings have included a demonstration on "Flag Etiquette" and a simulated version of the well known television program, "To Tell the Truth."

When asked about immediate plans, Mrs. A. E. Clement, FFA advisor, replied, "We are presently making plans for FFA Day in March; the FFA State Convention, March 30-April 1, in Nashville; and FFA Week, April 2-8, 1967."

Former FFA president, Dornetha E. Taylor was given the honor of being named the Betty Crocker

Winner - Dornetha accepts Betty Crocker award from Mr. Harris.

Home:maker of Tomorrow. This award is given annually to the senior girl of Frazier High who scored highest on the Betty Crocker Test. Along with this award she received a sterling silver heart-shaped charm. Dornetha is presently serving in the FFA as a guide.

New faces - Mr. Bethel, Mrs. McKelvy, Mrs. Price with Mr. Harris.

New Teachers Added To Faculty

Two new faces were added to the faculty at the beginning of the school year and one face returned after being away for a year.

Mrs. Alline L. Price is a new Math teacher and one of the 9th Grade Homeroom teachers. Previously she taught at Carver High School, Brownsville, Tennessee, Mt. Carmel and Bloomington Elementary Schools in Tipton County.

The new Industrial Arts teacher is Mr. Thomas C. Bethel. Mr. Bethel is a former Frazier School student and a graduate of Tennessee A & S State University, Nashville, Tennessee. Mr. Bethel previously taught in the Fayette County School System. He does bricklaying during the time school is not in session.

Mrs. Dorothy J. McKelvy returned to the faculty after being away for a year. She teaches Commerce.

Yellowjackets Sting Pirates in Tourney Opener

An 84-80 defeat was tabbed on the Pirates quintet, by the Lauderdale County Yellowjackets in the first round of action in District 32 tournament play. The loss thus eliminated the Pirates from further participation in the tourney.

Both teams started with a blistering fast pace and at the end of one period the Yellowjackets claimed a 19-18 advantage. The Yellowjackets cashed in on 11 points at the charity line as the Pirates got into foul trouble very early.

The Yellowjackets continued to lead the Pirates during the second period and outscored them 23-19 to extend their lead to a five point margin of 42-37. The Yellowjackets also got into foul trouble in the second period. Burnett Yarbrough took charge of the Yellowjacket attack with 13 points while Isaac Elam poured in 8 for the Pirates.

The Pirates offense poured in a total of 30 points in the third period but the Yellowjackets suffered a drought as they could bank 19. The duo of Robie Ross and Richard Lyons combined for 13 and 7 points respectively.

The Pirates could not hold their offense nor their defense in tact during the final period as they could only accumulate 13 points but gave up 23 points to the Yellowjackets. A total of 7 Pirates and Yellowjackets were forced to leave the game during this period.

Frazier's Robie Ross ended his high school stardom by burning the nets for 32 points. Fellow seniors Richard Lyons and Isaac Elam ended the season with 13 and 11 points respectively.

The Yellowjackets also had three players in double figures. Burnett Yarbrough led the parade with 29 tallies. Myron Wright had 17 and Bobby Johnson scored 16.

Easy - Arzell Elam drove past Ellis defenders for layup.

Pirates Cage Tigers

The Frazier Pirate quintet played one of its better games of the season in solidly defeating its arch rivals, Ellis Tigers, 77-69. The key factors in the Pirates victory were their all around team effort and a deadly offensive attack which the Tigers could not match. This win brought the Pirates their third consecutive victory and it also avenged an early defeat given to them by the Tigers.

In the opening period the Tigers and Pirates scoring was nip and tuck, but the Pirates were able to secure a 19-18 lead. Robie Ross and Arzell Elam contributed 6 points in the period while Robert Grant, who was shooting very dead-ly from the outside led the Tiger charge with 8 points.

The second period found the Tigers outscoring the Pirates 20-19 and thus knotted the score at 38-38 at halftime. James Green had 10 points to lead the Ellis charge, and Robie Ross connected for 9 in the period.

Action was continued hot and

heavy in the third period as both offenses were clicking at will. However, they outscored the visitors 17-15 and led 55-53 with one quarter remaining. Arzell Elam contributed 8 points in the period for the Pirates.

The Pirates continued their hot hands in the final period with 22 points while allowing the Tigers only 16. Robie Ross had the hottest of hands in the period with 12 of the Pirates 22 points.

Three Pirates scored in double figures as Robie Ross led with 31. Arzell Elam and Isaac Elam scored 19 and 17 points respectively.

High point-makers for Ellis were Sampson Pryor and James Green with 19 and 17 points respectively.

Pirates and Devils Split Homecoming

In the annual Homecoming game the Bolivar High Red Devil quintet was greeted with a 70-64 defeat. The Pirates again used a balanced scoring attack in capturing the decision. In conquering the Red Devils the Pirates gained their fourth consecutive conquest.

The Pirates and Red Devils fought to a 15-15 standoff in the quarter with the scoring on both teams very balanced. Robie Ross led the Pirates with 6 points and R. Jones had 5 for the Red Devils in the period.

The Pirate attack rallied to score 20 points in the second quarter while the Red Devils could only tally 12. This brought the Pirates a 35-27 lead at the half. Robie Ross connected for 12 points in this quarter.

A comeback was begun by the Red Devils in the third period as they cut their 8 point halftime deficit to only 5 points by outscoring the Pirates 18-15. R. Jones and J. Reaves scored 10 and 8 points respectively to lead the Red Devils charge. The score at the end of three quarters was 50-45 with the Pirates leading.

The Pirates then came back in the fourth quarter to outtally the Red Devils 20-19 and preserve their fourth consecutive win.

R. Jones of Bolivar led all scorers with 32 points.

Robie Ross set the point production pace for the Pirates with 29 points. Teammates W. Brown and I. Elam added 12 and 11 points respectively.

Gunner - R. Ross set his aim on the nets.

Ross Ignites Pirates Past Bears

The Frazier Pirate quintet put another check in the victory column and scored their second consecutive victory as they defeated the Allen-White Bears 73-62. In winning, the Pirates posted their second victory of the season over the Bears, and it enabled the Pirates to possess its longest winning streak of the season.

Allen-White's balanced scoring attack brought them a 1 point lead as they held the upper hand of a 20-19 tally at the end of the first period. All starters for Allen-White put counters on the scoreboard. Robie Ross took up the Pirates scoring slack by putting 9 points through the nets to lead the Pirate attack.

The Pirates outscored the Bears 23-13 in the second quarter to take a slim 42-39 lead at the half. Robie Ross again sparked the Pirate attack by scoring a total of 12 tallies in the period. After accumulating this lead the Pirates were never to trail again.

The Pirates continued their assault on the Bears in the third period as they were superior to the Bears in point production. The Pirates outtalled the Bears 16-10 to take a 58-49 margin.

Holding a 9 point advantage the Pirates began to play a little more conservatively in the final period, but still posted 15 tallies in the period and they allowed the Bears 13. Robie Ross was the big factor in this period as he contributed 9 points.

Frazier's Robie Ross guided 38 counters through the nets in spearheading the Pirate attack. Teammate Isaac Elam was next for the Pirates with 11 points.

E. Crisp and J. Robertson led the Bears with 21 and 10 points respectively.

Pirates Sextet Advance to Quarterfinals

The Frazier Pirate sextet used great desire, determination and team effort to capture a first round 37-18 victory in District 32 tournament action over the Bolivar Red Devil's sextet. This was Frazier's first victory in three outings against Bolivar.

Bolivar's sextet could never get untracked and trailed throughout the entire contest. The score at the half was 13-10 and 28-14 at the end of three.

Pirates Rout McNairy

In the nightcapper of the double-header with McNairy County the Frazier quintet shot an amazing 55% from the field and played their highest point production game of the season in their 98-42 decision over McNairy. This victory extended the Pirates winning streak to five. The Pirates outscored the visitors in every quarter in gaining the victory.

From the opening tip off the Pirates jumped in front and continued to lengthen their lead to 35-12 at the end of one period. Robie Ross poured in 16 counters to head the Pirate offensive.

The reserves of Frazier made their debut in the game during the second period and put 24 tallies on the scoreboard, but they allowed McNairy only 8 tallies.

Thus the Pirates had gained a 59-20 lead at the half.

The reserves also were allowed to play the third period and connected for 15 tallies while limiting McNairy to 11 to bring the Pirates a 74-31 lead at the end of three periods.

Starters returned to the game for the Pirates in the final period and put 24 points on the scoreboard, but McNairy could only sack 11.

Frazier's Robie Ross spearheaded the Pirate attack with 32 points while Richard Lyons took runnerup honors with 16.

C. Atkins was high for McNairy with 12 points.

Tigerettes Defeat Pirates In Quarterfinals Wednesday

A great comeback was staged by the Ellis Tigerettes in the second half that enabled them to conquer the Frazier sextet in the quarterfinals of the District 32 tournament. This was the Tigerettes second defeat of the Pirate sextet in three outings.

The Pirate sextet got off and running to a good start in the first period by building up an 11-4 margin. All the Frazier forwards contributed points to the cause while Annette Wakefield scored her team's entire points.

In the second period the Tigerettes began to move in outscoring their opponents 9-6, but they still trailed 17-13 as the first half ended.

The Tigerettes made it a brand new game again as they caught the Pirate sextet in the third period by outtallying them 6-2 and thus knotted the score at 19-19 with one period remaining.

The polished offense of the Tigerettes continued to work, very smoothly in the final period as evident by their 12 points. The Pirate sextet could only secure 8 and this low point producing quarter led to their defeat.

High scoring honors went to Annette Wakefield with 20 points.

Linda Dancy led Frazier with 11 points and LaSandra Wright added 10.

Free throw - Linda Dancy aims ball at basket.

Cross court - Long pass thrown across hardwood by LaSandra Wright.

Bolivar's Red Devils accomplished two things in playing the Pirates on their homecourt as they halted the Pirates winning streak at five games and avenged an earlier loss that was tagged on them by the Pirates.

Both teams received maximum effort from their offenses in the first quarter with Bolivar capturing a 27-22 margin. R. Jones put 10 points on the scoreboard for the Red Devils and Robie Ross sank 9 for the Pirates.

The Red Devils continued to dominate the scoreboard in the second period outscoring the Pirates 21-16 to bring them a 48-38 lead at intermission. Robie Ross scored 14 of the Pirates 16 points in the period.

The Pirates came out gunning in the third period and steadily cut into that 10 point deficit until they knotted the score at 66-66 after three periods. During the quarter's span the Pirates outscored the Red Devils 28-18.

However, the last quarter proved to be disastrous for the Pirates as they were outscored 19-14 by the home towners. R. Jones led the Red Devils in the quarter with 12 points.

R. Jones ended the evening with 40 points to set the pace for all point producers.

Robie Ross was high point-maker for Frazier with 35 points and Richard Lyons added 14.

The Frazier High sextet journeyed to Bolivar to match their skill and finesse with the Red Devil sextet and when the game had ended the Red Devil sextet had outmatched the Pirate sextet and had taken a 32-28 decision in doing so.

A single field goal by Mary Tipton was all the Pirate forwards could attain in the first period while the opposition was busily filling the nets with 10 points.

The tables were turned in the second period as the Pirate sextet knifed into the 8 point lead that was enjoyed by the Red Devils and cut the lead to only 2 points. The visitors outdueled the Bolivar sextet 8-2 and were trailing 12-10 at the half.

In the final period the Pirate sextet fought desperately to get back in the game as they rallied for a 10-5 margin during the span of the period, but regulation time ended their threat.

H. Perry and O. Jones each had 11 points for Bolivar, and L. Jones contributed 10.

M. Tipton and L. Dancy tallied 10 each for Frazier. Teammate La Sandra Wright added 8.

Sextet Drubs McNairy

The Frazier Pirate sextet entertained the McNairy County Training School sextet in a district basketball encounter and stormed past the McNairy Countians 35-22. This marked the second time the Pirate sextet had upended them this season.

A great defense was thrown at the Pirate squad in the first quarter and it limited their attack to only 4 points. However, McNairy managed to tally for 9 to take a 9-4 margin.

In the second period the Pirate sextet poured in 14 counters, but the McNairy offense became stalled as they could only produce 1 point. With this surge the Pirate sextet stormed to an 18-10 lead at intermission.

La Sandra Wright filled the nets with 13 of Frazier's 15 tallies, but McNairy still could not get moving as they scored only 2 points in the third period.

La Sandra Wright led all scorers with 19 tallies.

Correct form - Richard Lyons demonstrates the correct turn in ripping the nets.

Unstoppable - Robie Ross shoots easy two points.
