BULLDOG

EDUCATION--THE KEYNOTE TO SUCCESS

FOREWORD

There's something in a task well done that cannot be explained.

In this, the first volume of the Bloomingtonian, the staff has endeavored to record a few of the sparkling diamonds of memory, the rubies of real friendship, the solid gold of learning, the priceless pearls of guidance, and the gay emeralds of fun and play.

In print and pictures we have described and presented a few scenes from the parade of activities from actual life at Bloomington School for the year 1966-1967. May this volume be a memory gem of happy experiences.

DEDICATION

For service rendered, unselfish and true;
For the spirit of love exemplified by you,
For the initiative and courage to see things through
We dedicate this book to you.
For you rank high with us, like a king on his throne;
You have many children--though none of your own.
Hats off to you--for a job well done,
Your inspiration has made us renown.

THE PRINCIPAL'S MESSAGE

Dear Fellow Teachers, Parents, and Pupils:

As the third year of our school draws to a close, it behooves us to consider the values we have maintained and the values we have gained. Even in the short life span of our school many wonderful things have been accomplished and experienced here. It is hoped that many of these things have been captured in this Yearbook, "Lest We Forget."

It has always been our desire to keep the school community informed of the schools program and work together to meet the needs of those we serve.

I would like to thank the teachers, parents, pupils, friends and the Tipton County Board of Education for their support. We have attempted to initiate a program that will instill in our boys and girls certain spiritual qualities which will make them calm in adversity, happy when alone, Just in their dealings, rational and sane in the fullest meaning of that word in all the affairs of life.

We have worked vigorously together so far. May we look forward to achievements of great magnitude as we cement our bonds of friendship.

MESSAGE FROM SUPERINTENDENT

Dear Principal and Teachers,

I must compliment you for the extensive amount of progress made during the few years that Bloomington Elementary School has been established. I think the 1966-1967 Yearbook will serve as a means of evaluation and for future reference.

I sincerely hope you more years of success and happiness in reaching desired future goals.

Shannon D. Faulkner

SUPERVISOR'S MESSAGE

Congratulations to the Bloomington Elementary School during 1966-1967. I wish to commend this school and its progressive Faculty and Title I Personnel for this Yearbook. It is with great pleasure that the administration has watched the progress made by this school.

In later years, when you look at this book, I hope it will remind you of the goals you reached in the past, and will help you to reach higher goals in the future.

May this Yearbook be an inspiration for future Faculties, pupils and other personnel to extend their best efforts in all fields of endeavor.

Truly yours,

Mrs. Kathleen Beeks

Bloomington Pupils Are First in State for School Breakfast

Students at Bloomington Elementary School near Brighton were the first students in Tennessee to receive breakfast under the Pilot Breakfast Program and Child Nutrition Act of 1966. Mrs. Gloria Mercier, director of food service and nutrition education in Tipton County, served rolled wheat to the students. Mrs. Mary L. Richardson, area supervisor of the school lunch program, poured a cup of orange juice. Bloomington Principal Dudley Baskerville (right) observed the serving to the first students.

Always Remembered - Nov. 8, 1965

John Albert Hughlett

There must be a reason we can't see
 There must be a reason why,
 A reason that we must take "on faith"
 As we do the sun on high . . .

There must be an answer why it is
 Someone who enjoyed life so
 Someone who is so dear to us,
 Suddenly has to go.

Life is a journey, so we are told
 For some long, for others brief,
 A journey on which we all find joy
 Mingled with sadness and grief,
 Try to remember the joy today,
 However hard it may be
 And trust you'll find comfort
 When you know
 The reason you now can't see.

--Selected--

Some said it couldn't be done, but we started on our voyage, and we've had a smooth, calm, sail. Now as our ship nears the port, we wish to thank each and everyone for your support.
