Our new library, the top floor of the addition to the building, began complete service for Grades 1-12, March 1, 1966.

Dividing the high school reading room and the elementary reading room are counter height shelves serving as reference shelving.

At the end of the well-lighted reading rooms are a glass-enclosed office, a workroom and a conference room. All three are in view of the reading room and also the study hall which joins the library. Back issues of periodicals and guidance materials are housed in the conference room.

The elementary section has picture book, as well as other shelving, a picture book table and benches, and standard tables (6) with thirty-eight chairs.

The high school section has, in addition to regular shelving, a periodical and newspaper section, six reading tables and thirty-two chairs. Other furniture consists of a twelve-foot charging desk, a fifteen drawer card catalog, and an Atlas stand. The latter is a memorial gift given by the P.T.A. and the Beta Club in memory of two teachers: Miss Lucile McQuiston and Mrs. Martha Tinkler.

The library is open from 7:15 A.M. to 3:45 P.M. Grades 3-8 have scheduled periods and Grades 1 and 2 come at certain times. Everybody from Grade 1 through Grade 12 is happy about our reading and reference facilities.
