## *In Memoriam*

The Class of 1969 wishes to offer this tribute of love and respect to the memory of Private First Class Jimmy Dale Blalack, who gave his life for his country, in Vietnam, October 31, 1968. Jimmy Dale was one of the best loved students in our school. He was quiet, gentle, unassuming and was never known to speak ill of anyone. He took part in every phase of school life and has left us an unexcelled example of unselfish and loving service.

We have indeed lost a valuable friend whose memory we shall cherish always. His good nature and humility was an inspiration to us all. We are saddened by his death, but we are thankful for his life. We bow to the will of God, who doeth all things well.

Our heartfelt sympathy and love we offer to his family and loved ones. We say to them:

"They never quite leave us - the friends,  
Who have passed,  
A thousand sweet memories,  
Hold them fast."

## In Memoriam

The Brighton High School students and teachers wish to honor with love and respect the memory of Marshall Allen Smith, whose sudden departure on March 8, 1969, shocked and grieved a vast number of students and friends throughout our community.

We are grateful for the years of faithful service he lived among us, for his cheerfulness, for his friendly smile and for his kindness, patience, and love for his students.

Marshall had a great interest in young people, and those fortunate to have him as a teacher remember his dedication, understanding, and interest in the education of boys and girls.

It is with deep regret that we the students and teachers record the passing of our beloved teacher and friend, yet we bow in humble submission to our Heavenly Father "who doeth all things well." We loved him dearly and will miss the happy fellowship we were privileged to share with him. His unselfish life of love and service will always be an inspiration to all who knew him.

We extend our deepest sympathy to his family.

Dear Yoge

We've had lot's of fun in school together. All the things we do to some people aren't nice but it's been fun anyway. I'd sure be glad when I come and live with you.
