Wildcat**

Aug 12 1955  
 Monteen,  
 It's been nice knowing such a cute & sweet girl. I could never say I enjoyed being around you in some of those wild times we've had. (and I mean wild!) I'll remember those loads of Memphis cats! we meet. Loads of luck to you at Bull Park & me!  
 Hahnie

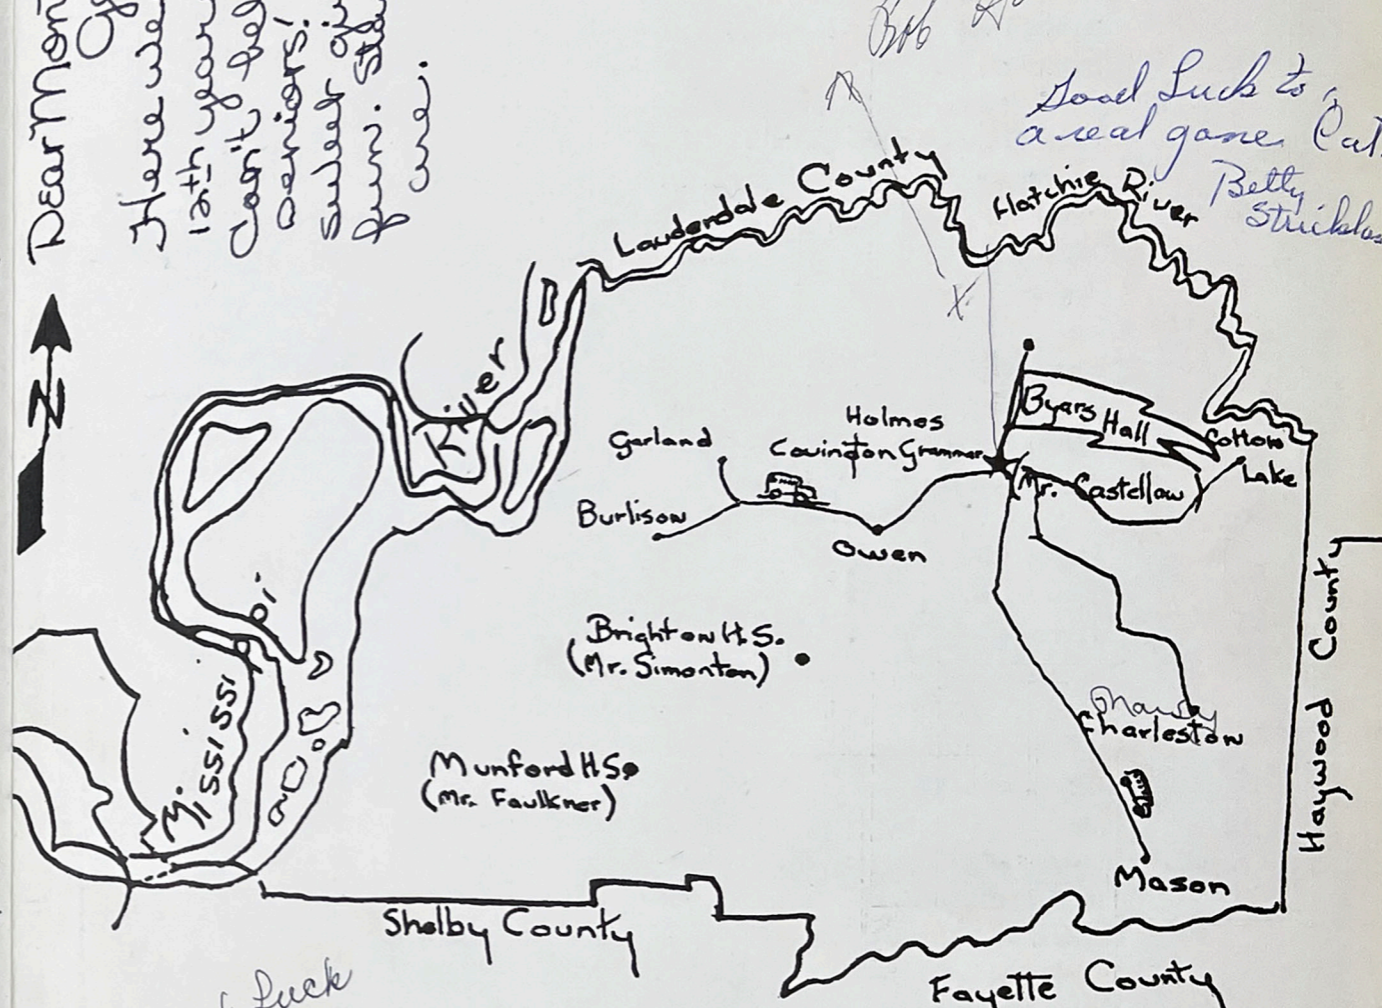

Dear Monteen,  
 It was a pleasure to sit behind you in Chemistry. I never will forget the back of your head. Really have enjoyed you and know you are a wonderful gal.  
 Love  
 Jim

"Teena"  
 We have really had some good times together, haven't we? We had our "ups" and our "downs", but all in all I think we've had more "ups". I truthfully consider you as one of my very best friends. I don't think I'll ever forget all the good times we've had together. We have lived through some wild, hilarious nights and summer - I can't begin to name half of them. I can't even remember the names of the people that they might be. I think you are a wonderful person and a great friend to have. Love always  
 P.S. Don't ever forget your tractor ride at the C.C.C. that night.

Dear Monteen:  
 Get it, Big Seniors!  
 Here we go starting our 12th year together. It just can't believe we are seniors! You really are a sweet girl, and a lot of fun. Stay as crazy as you are.  
 Love,

Dear Jeanne,  
 Well, here's one meaning writing to another meaning +  
 wishing you the best of luck. As long as we've run together  
 we've always had oodles of fun - doing every  
 thing from swimming at 4:00 in the morning to drying our  
 hair and  
 has been fun.  
 Our home last year was the office & our department was awful late to hope we can stay out of the office & make a  
 "Don't report" ment. We'll have lunch together as usual & may be we will get a drawer table. You are one of my best friend & I hope we will always stay that way. Now change, for life would be very boring without you.

Dear Monteen,  
 We've 'have' games to school as long things together. We have had fun, but all in all, we have been good friends. Now we are seniors and soon we shall go our separate ways. I'll always remember you as a girl who's fond to have fun. Best of luck.

# LAST WILL AND TESTAMENT

We, the members of the Senior Class of 1954-55, wish to express our thanks to Mr. Castellaw, Mr. Simonton, and the faculty, present and past, who have been so kind in helping us solve our little problems and who have had a hand in moulding our future character.

We want to thank Mr. Evans, who was both our sponsor and play director, for his untiring efforts to make our class one of the best that Byars-Hall has produced.

The Annual would be blank pages without the assistance and criticism of Mrs. Bringle who guided us through our work on the Annual.

In order that our underclassmen be as perfect as we were we wish to bequeath them the following:

Mack Easley leaves his tumbling ability to Gwyn Kelly. Wilbur Howard's speed goes to Drew McFarland to assist him in his getaway from the study hall. Bob Yoakum gives his place in the office to Jimmy Beasley. Toby Poole wills his job at Arnold Bull's to Larry Combs, and Tim Sloan leaves his place at Jake's to Jimmy Williams. Dick Hall gives his "belligerence" with Coach Gulley to Bobby Bradshaw. Irma Rose Gookin and Marilyn Gilbreath Billings leave their wedding rings to all unmarried females. Dan Jennings' love for one woman goes to Bob Hastings. Welton Howard gives his cozy corners to the future lovers of Byars-Hall. Carl Turner bequeaths his love for the farm to Emmett Hartsfield. Margie Hadley gives her red hair to Mr. Simonton. Barbara Flower's "Hey Ya'll" goes to Wanda Bringle. Carolyn Max gives her ability to talk to Kay Jamison. Robert Wright leaves his love for Coach Brewer to next year's basketball team. Austin Worley leaves his sideburns to Jerry Shoaf. Tommy Johnson wills his love for stock car races to George Howles. Rodney Eubank's dancing ability goes to Gail Davis. Nancy Walton leaves her forward roll to Bev Gruggett. Dickey Faulk's capers at the ball games go to Joe Ward. Douglas Bryant and Jimmy Sorrell give their love for agriculture to all Future Farmers. Ruby Jones leaves her singing voice to Gail Smith. Peggy McDivitt

gives her place in the Drive-In to Haskin Davis. Billy Hazelrig leaves his bass drum to Arthur Clark, or anyone else man enough to beat it. Dolores Dunn leaves Covington for Hawaii and a new name. Helen Campbell leaves her Campbell's soup to Mrs. McGowan.

Betty Jo Cook isn't leaving anything . . . she takes Robert Rickard with her. Dorothy Maloy gives her short hair to Betty Strickland. Morris Jobe leaves his way with the girls to Marvin Johnson. John Marshall leaves his self-confidence to Gordon Turner. Bobby Marshall wants Bobby Stiles to have his height. E. P. Martin wills his drawings of beautiful forms to Byars-Hall's future art class. a good kid and I wish you all of the luck in the world - Take it easy and don't do any-thing I won't

We, the members of the Senior Class of 1954-55, wish to express our thanks to Mr. Castellaw, Mr. Simonton, and the faculty, present and past, who have been so kind in helping us solve our little problems and who have had a hand in moulding our future character.

We want to thank Mr. Evans, who was both our sponsor and play director, for his untiring efforts to make our class one of the best that Byars-Hall has produced.

The Annual would be blank pages without the assistance and criticism of Mrs. Bringle who guided us through our work on the Annual.

In order that our underclassmen be as perfect as we were we wish to bequeath them the following:

Mack Easley leaves his tumbling ability to Gwyn Kelly. Wilbur Howard's speed goes to Drew McFarland to assist him in his getaway from the study hall. Bob Yoakum gives his place in the office to Jimmy Beasley. Toby Poole wills his job at Arnold Bull's to Larry Combs, and Tim Sloan leaves his place at Jake's to Jimmy Williams. Dick Hall gives his "belligerence" with Coach Gulley to Bobby Bradshaw. Irma Rose Gookin and Marilyn Gilbreath Billings leave their wedding rings to all unmarried females. Dan Jennings' love for one woman goes to Bob Hastings. Welton Howard gives his cozy corners to the future lovers of Byars-Hall. Carl Turner bequeaths his love for the farm to Emmett Hartsfield. Margie Hadley gives her red hair to Mr. Simonton. Barbara Flower's "Hey Ya'll" goes to Wanda Bringle. Carolyn Max gives her ability to talk to Kay Jamison. Robert Wright leaves his love for Coach Brewer to next year's basketball team. Austin Worley leaves his sideburns to Jerry Shoaf. Tommy Johnson wills his love for stock car races to George Howles. Rodney Eubank's dancing ability goes to Gail Davis. Nancy Walton leaves her forward roll to Bev Gruggett. Dickey Faulk's capers at the ball games go to Joe Ward. Douglas Bryant and Jimmy Sorrell give their love for agriculture to all Future Farmers. Ruby Jones leaves her singing voice to Gail Smith. Peggy McDivitt,

Dear Monteen,  
Well girl, here we are at the end of our high  
school year. It means that we won't be seeing  
as much of each other as we usually do,  
especially this summer. Just wait though  
when we meet again in about a year or  
two we'll be riding up to greet each other  
in a Buick Skylark and an Oldsmobile  
Starfire! Ha! Boy won't we be sharp as a  
tack.

Monteen it's really been fun being your  
friend. We've had so much fun, I never  
could begin to point out the wonderful times  
we've had eating around.

We're seniors now and you know how  
that are! We made it at last. We are  
gonna have fun and make it a Senior  
Class to remember, aren't we?

Good luck at Gulf Park and then  
after college you'll find some guy and  
get hitched, I bet. Ha!

About your car, it's beautiful. Now  
I want you to take care of it too, like  
you told me. We've got to girl, it may  
be years, before we get another one.

P.S. Go Girl!  
Right Get Change!
