JUNIOR--SENIOR ENTERTAINMENT

The Juniors entertained the Seniors and High School faculty with a Progressive Chinese Checker Party. This was our first attempt at making this a progressive game, but it was not at all slow and everyone enjoyed it. Prizes were given for high and low scores. If the Juniors had interviewed Mr. Weatherman before setting a date for the party, probably more would have had fun that night, but one must take things with a good spirit that can't be avoided, and so the Juniors and Seniors took the rain that night and enjoyed themselves.

Facts

There is much variety in the characters and therefore provision is made for much comedy. There are rich characters and hired help; an old maid, who is so stern that the part may be played by a man, and a willowy woman who is well-modulated, refined in manner, and fairly exudes charm.

There is a woman, who hears everything before anyone else suspects it, and her daughter, who (to provide variety) is very close-mouthed.

This play is serious enough for you who like that type. In comedy - it has a very ample supply; mystery - enough and tragedy - none, except very funny and hilarious ones.

GIRLS' GLEE CLUB

The Girls' Glee Club was organized in September, 1937. It now consists of twelve members with Mrs. Milton Simonton as Director. Although they are few in number, they have made up in quality what they lacked in quantity.

The Glee Club has sung at various times and has given many good performances. They sang at the Book Club, Fathers' Night, Chapel, Senior Play, and for Commencement and many other places. Some of the songs that they sang were "The Girl with the Turned-Up Nose" by Palmer John Clark, "Believe Me If All Those Endearing Young Charms", an Irish air, words by Thomas Moore, MacDowell's "To a Wild Rose", and "When Twilight Weaves Her Gentle Spell" by Beethoven.

MEMBERS

Josephine McDaniel, Virginia Westmoreland, Mary Bell, Jean Hill, Thelma Walk, Mary Elizabeth Blanchard, Mrs. Milton Simonton (Director), Erin Moffatt, Aileen Huddleston, Christine Riales, Frances Simonton, Helen McClerkin, Evelyn Browning, Dorothy Williamson.

BOY'S GLEE CLUB

The Boy's Glee Club was organized in September, 1937. It is composed of Thirteen members with Mrs. Milton Simonton, Director. The Club is larger than last year's club. They have done splendid singing as shown by the many invitations they have had to sing at special programs and exercises.

The Boy's Glee Club sang at Fathers' Night, Egypt Church Dedication, Chapel, Commencement, Senior Play, and various otherschool programs. Some of the songs that they have sung are: "Big Brown Bear", "Shortening Bread", The Bulldog Song" and more serious numbers, "Absent", "Hear My Prayer".

Lately, the boys and girls have been singing together. This affords enjoyment for both and brings out more harmony and volume.

MEMBERS

Mrs. Milton Simonton (Director), Jack McCalla, Billy Westmoreland, Alexander Morgan, Gordon Goulder, Darnell Fee, Joe Strong, Brady Rhyne, John Moore, Eugene Williamson, James Ernest Elam, Alvin Cannon, Mervil Montgomery, Charles McCalla.

HOME ECONOMICS

This year for the first time we have had vocational Home Economics in our school. In this program we carry our Home Economics work over into the homes, chiefly through home projects. Some very good home projects have been carried out this year.

The value of this work might be estimated by asking some girl whose home project consisted of re-decorating and beautifying her own room if she finds occupying it more enjoyable in its new and attractive appearance; or, by asking some mother how she enjoys the vacation afforded her by her daughter's home project of cooking supper.

In class the program consists of various units of work. Some are cooking, some making commencement dresses, some knitting, and some making dresses and suits for small sisters and brothers.

We have also studied personal grooming which is so essential to a person's good appearance. Nutrition and home care of the sick too have had their place in our program.

Next year we plan to have a Home Economics Club and hope to affiliate with the State and National Home Economics Associations. This Club will be open to all Home Economics students who wish to join. There will be varied programs and social activities connected with the Club.

BRIGHTON 4-H CLUB

Vivian Campbell - President

Alexander Morgan - Vice President

James E. Elam - Secretary

The Brighton Club has been in existence three years, starting with thirty-four members and increasing to one hundred and six members. Mr. Oliver Nunn, the first leader, was here one year and then Mr. Ute Halliburton took charge of the boys' club. Miss Ivie Drake was the leader of the girls' club, but this year the two clubs have been combined. There has already been two meetings this year and everyone present seemed very interested in what was being discussed.

Mr. C. A. Fleming and Miss Doris Lee Simpson are the leaders of the club. There was a large number of prizes won in the club this past year and the members of the club hope to win the plaque this year.

FUTURE FARMERS ASSOCIATION

President - Ralph Moffatt

Vice Pres. - Joe Chumley

Secretary - Tommie Smith

Treasurer - Gale Buckley

Reporter - Claud Hopper

The F. F. A. of Brighton High School is composed of 40 members under the leadership of Mr. Norris McCormick.

FUTURE FARMERS ASSOCIATION (cont.)

Various activities are being performed by the entire group and several of the boys have won prizes at the Fair. The Future Farmers often go on field trips to some nearby farm where they prune and spray trees. In this way, under the supervision of Mr. McCormick, they have helped the farmers greatly.

ARMISTICE PROGRAM

As is the custom each year, an Armistice program was given in the High School Auditorium. Mr. W. A. Shoaf of Covington was the principal speaker.

The program was opened with the song "America The Beautiful" followed by "My Country 'Tis Of Thee." Mr. Fentress Huffman led in prayer and Mr. Shoaf spoke on "Preparedness and Freedom of American Citizens". He pointed out that we should all preserve the freedom which is ours and if need arises we should be willing to fight for our rights and our country. He told of some of the experiences which he had while in the World War.

The program was closed with "The Star Spangled Banner". Everybody enjoyed the entire program.

After the program, the high school pupils were taken to Covington in the school buses to participate in the Armistice parade.

HALLOWEEN CARNIVAL

The annual Halloween Carnival was held in the gymnasium of the Brighton High School on October 28.

Among the various types of amusements were the wishing well, the cake guessing contest, bingo, corn guessing contest, Prof. Quiz, and many other games and contests.

An auction sale, managed by Mr. Bennett, was very successful and many things were auctioned. Prizes were given to those who held lucky numbers, each prize being donated by the various business firms in the county.

Of the entire program, the most interesting was the crowning of the Halloween Queen. The four candidates: Polly Smith of the Senior Class; Dorothy Trotter of the Junior Class; Helen McClerkin of the Sophomore Class; and Jean Hill of the Freshman Class were asked to stand before the crowd until the winning candidate was announced. Dorothy Trotter, daughter of Mr. and Mrs. Oliver Trotter, was crowned queen.

CHAPEL PROGRAMS

The chapel programs have been conducted by several of the ministers in the community and the entire school body has enjoyed the advice and splendid suggestions which they gave to us. Among the ones whom we have heard are Rev. L. P. Knox, Rev. A. B. Love, Rev. Paul Sloan, Rev. C. B. Betts, Rev. O. C. Markham, Dr. Jetton and several others.

The Boy's and Girl's Glee Clubs, directed by Mrs. Milton Simonton, gave the chapel program March 17, and showed much talent in their performances.

The Boy's Glee Club opened the program by singing "The Big Brown Bear." Then they sang "The Bulldog Song" and "Absent." Next the Girl's Glee Club gave their interpretation of "Believe Me If All Those Endearing Young Charms." Jack McCalla played a violin solo called "The Glow-Worm."

This closed the program and everyone enjoyed it very much. Mrs. Simonton has truly done a great deal to help the school go forward in its musical and social work.

PARENT-TEACHERS ASSOCIATION

President--Mrs. Martha Tinkler

Vice Pres.--Mrs. Mildred Morrison

Sec. and Treas.--Mrs. Ella McCalla

Historian--Miss Lucile McQuiston

The P. T. A., composed of sixty-seven members, meets every third Monday of the month and has done much to aid the school and community.

The ladies of the P. T. A. has a booth at the Tipton County Fair and made several dollars which went to buy library books, to help pay for school dental work, elementary school files, cabinets, and for Home Economics. These are only a few of the things which the P. T. A. has done to help the school and community.

FATHER'S NIGHT PROGRAM

One feature of the P. T. A. was a Father's Night Program, given March 20, in the auditorium of the High School.

Refreshments, were served in the library for all who were present. The elementary grades held open house for parents and visitors. The rooms showed much improvement in the work of the pupils and many posters and drawings showed considerable talent.

The program opened at 8 o'clock with a prayer by Rev. L. P. Knox, pastor of the Brighton A.R.P. Church. We were favored with a musical program given by the Boy's and Girl's Glee Clubs directed by Mrs. Milton Simonton. The Boy's Glee Club sang "The Big Brown Bear", "Absent", and the "Bulldog Song." Jack McCalla played a violin solo, "Glow Worm."

FATHER'S NIGHT PROGRAM (cont.)

The Girl's Glee Club sang "When Twilight Weaves Her Gentle Spell", "The Girl With the Turned Up Nose", and "Believe Me If All Those Endearing Young Charms."

Mr. B. S. Jamison of Covington spoke on "The Responsibility of Being A Father." He brought out many interesting points on how there should be comradeship between father and son. He pointed out that youth is the raw material of man-hood, and that it is in youth that work must be done. He illustrated the facts with the stories of Jacob and Joseph, and David and Absalom and reminded us that the same responsibility rests on parents of to-day as on David and Jacob of olden times. He closed his talk with a poem, "Father and Son", by Edgar A. Guest, in which the thought was brought out that father and son must all be one.

The entire program was splendid and enjoyed by the large crowd that assembled to do honor to the fathers.

PICTURE SHOWS

During the fall, a series of picture shows were given weekly in the Brighton gymnasium.

The shows were sponsored by the Brighton High School as a form of entertainment for school children and the community and also as a means of obtaining money for the school.

The equipment and men who operated the picture show were furnished by Mr. L. O. Baltzer of the Coca-Cola Bottling Company in Covington.

Although this venture was not as great a success as was hoped for, it was enjoyed by many.
