ADMINISTRATION

SHANNON D. FAULKNER - Superintendent

Dr. Faulkner has been superintendent of Tipton Co. Schools since 1953. During this time county schools have experienced many new ideas and methods of education. He was born in Tipton Co. on Jan. 9, 1921. Dr. Faulkner is a graduate of Brighton High School ('38).

He received a B. A. Degree from Erskine College ('38-42), a M. A. ('52) and Ed. D. Degree ('72) from Memphis State.

Dr. Faulkner was the band director of Greer, S. C. ('42-43), served in the Army Air Corps ('43-45) and taught at Munford High School ('45-52).

Dr. Faulkner's family consists of his mother, Mrs. Sarah Strong; his wife, Margaret; two children, Kay Lea and Shannon III; and two grandchildren Cindy and Bobby Hastings. He is a very active church member of the Salem ARP Church.

RUSSELL LINDSEY - Principal

Although Mr. Lindsey has been here only 3 years, the changes he has brought about have been highly approved by both faculty and students. Mr. Lindsey was born May 3, 1942, in Brownsville, Tenn. and received his education from Haywood County High School. He earned his B. A. Degree ('64) and Master's Degree ('67) from Memphis State. Mr. Lindsey taught math; coached football and basketball at Haywood Co. for 3 years and at Covington High School for 4 years. He is involved in various church activities at the First Methodist Church of Covington, and President of the Tipton Co. Education Association. Mr. Lindsey and his wife, Nancy (Simonton) Lindsey, have a daughter Frances Anne born last September. The Lindseys reside on Cummings Street in Covington.

Retiring Teachers

MRS. ADA ROSE ANTHONY

MISS EDITH McQUISTON

A teacher who is retiring serves as an inspiration for everyone who has associated with them. Kind words, soft smiles and an understanding of young minds are virtues of these retiring teachers. Miss Margaret McQuiston, Miss Edith McQuiston, and Mrs. Ada Rose Anthony are indeed three of the special people that are truly known as "educators." It especially means a great deal to us as seniors to see them leaving at the same time we are. Each one has played an important part in molding us into the students and young adults we are. Everyone of their pupils should feel privileged that they have received a well rounded and sound education from them. The graduating class of '74 offers sincere thanks to them.
