MUNFORD HIGH SCHOOL

MUNFORD, TENNESSEE

1961

In keeping with the spirit of the Civil War Centennial, we dedicate our 1960-61 Yearbook to the Confederacy.

SUPERINTENDENT'S
MESSAGE
TO
SENIORS

A chain is only as strong as its weakest link! And so to those of you who are leaving this school and to those of you who are remaining, be sure that each link in the chain of life is as strong as it can possibly be. All phases of your education are important and the neglect of any part will weaken the whole.

PRINCIPAL'S MESSAGE TO SENIORS

Every day has been a growth, as we have explored the fields of thought and investigation together. Every year has done its best to impress upon you what it now becomes your duty and privilege to express to the world. Find your work, and then do it, resolving to prove all things for yourself, and in holding fast to that which is good, make the world better and wiser and happier because of your living in it.
